MEMORIES OF 1980 AT MANCHESTER COLLEGE

STUDENT LIFE

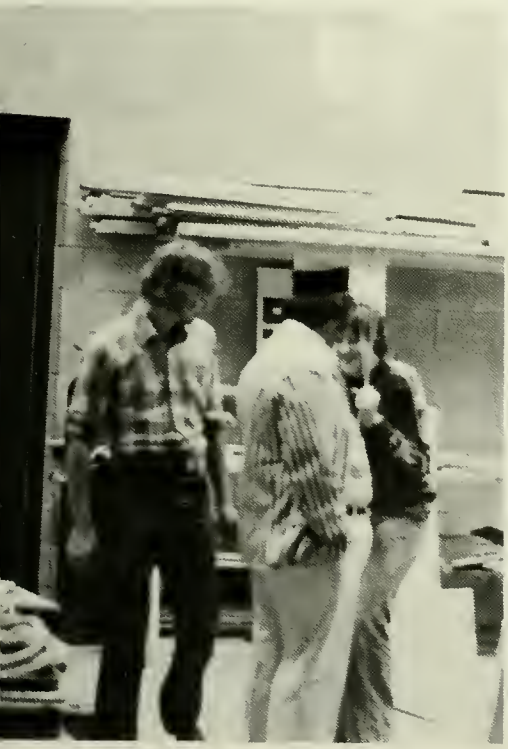
A NEW START

Freshmen Orientation at Manchester College provides new incoming students with their first experiences of some of the activities Manchester plans during the year. Part of Freshmen Orientation is Campus Pals. Upper classmen return to school early to help and participate in activities for freshmen. This year's activities included a disco by "Hollywood" Bill Jones, a square dance, a picnic, and many other activities to bring the students together.

HOMECOMING '79

Homecoming at Manchester College is a time for old friends and alumni return to visit the campus. Many activities are planned, which included this year, a play, a football game, and the crowning of a Homecoming queen.

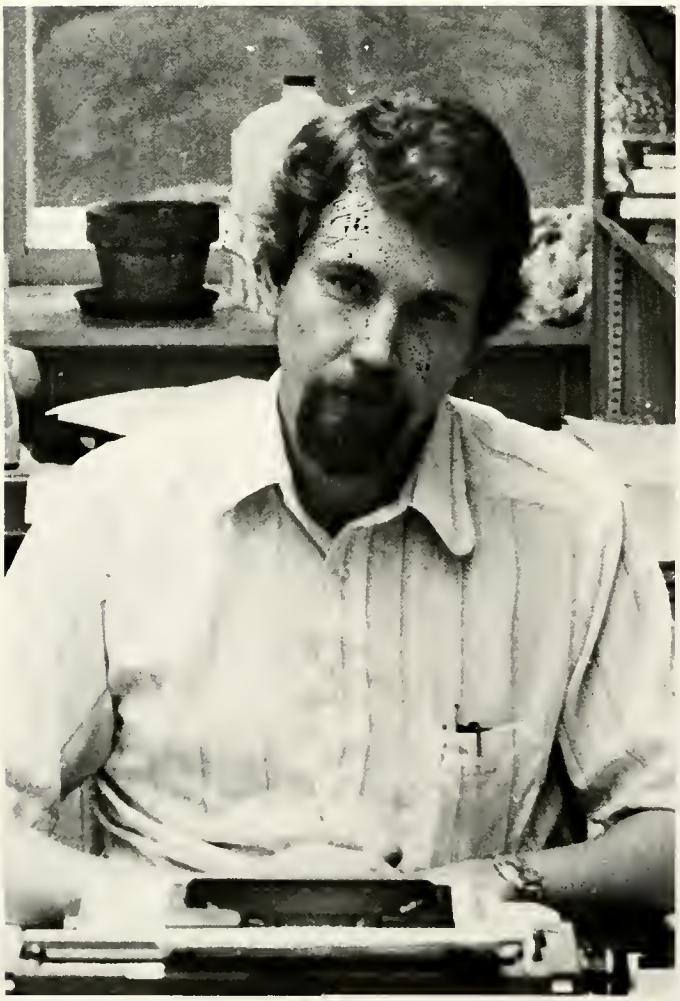
HOMECOMING—"J.B."



STUDENTS LEARN BY DOING

Part of the learning experience at Manchester College is to learn by doing and getting involved. Many students participated in a phon-a-thon to help raise money for the new gym. Other students went to Alabama on a disaster relief program. Students also learn by just doing their assigned work and working in computer labs.

ON THE CASUAL SIDE



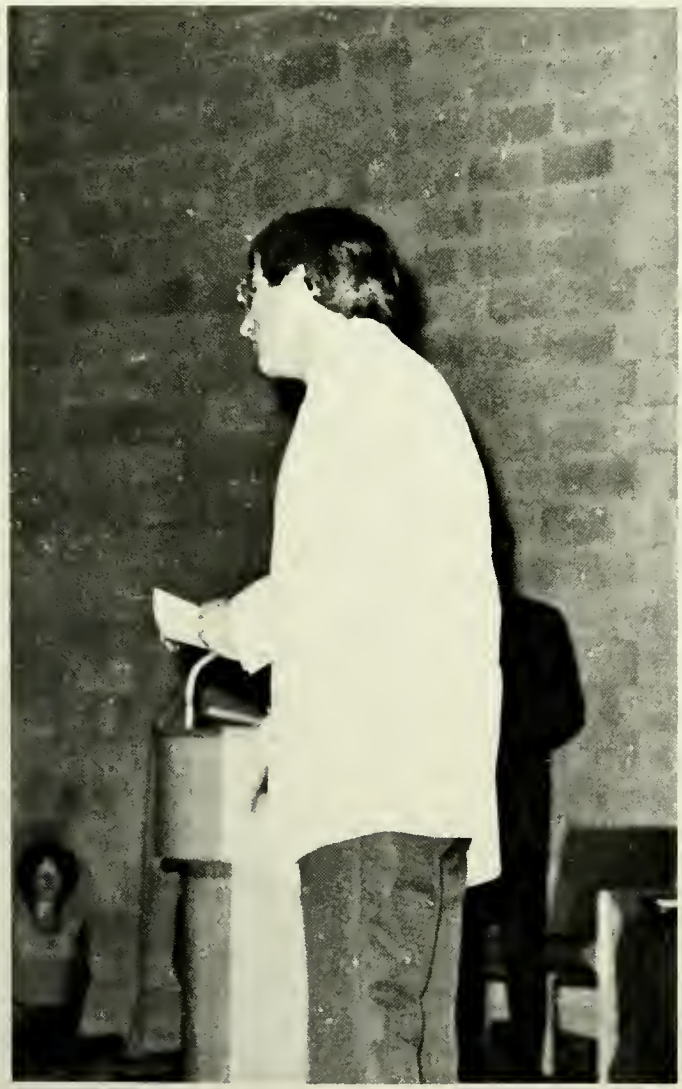
THE STUDENT

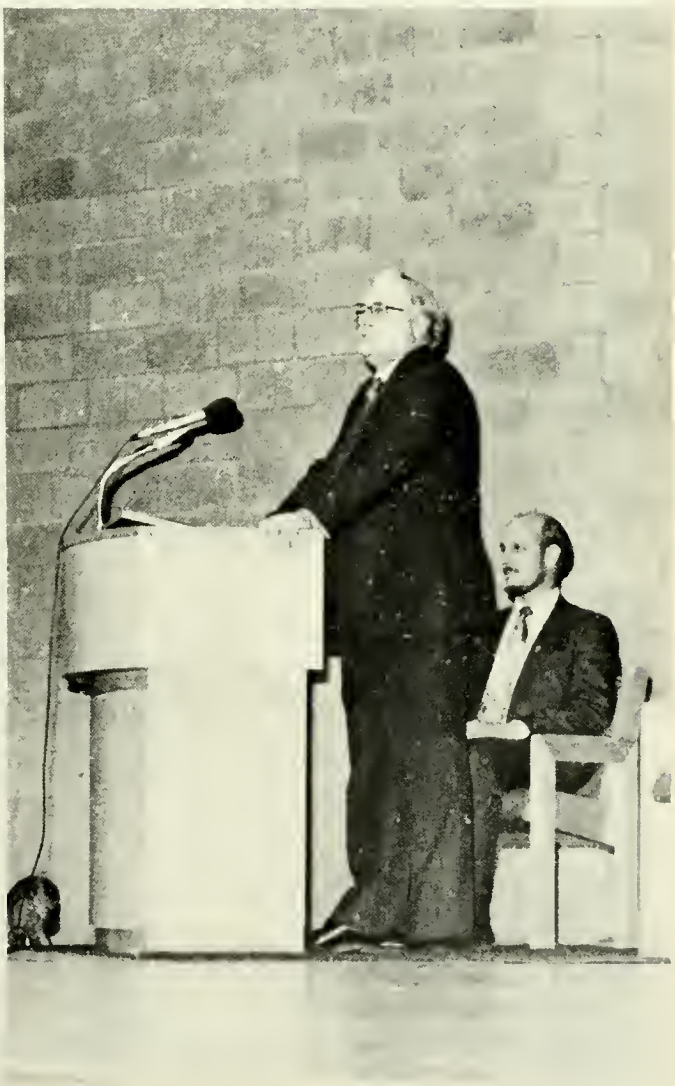
DORM LIFE

There are six dorms at Manchester College, and each is very unique. Garver Hall is a co-ed dorm which sponsors many activities during the year. They are famous for their discos. Calvin Ulrey Hall is also co-ed, it is known for being a learning/living center. Schwalm Hall houses over 200 men and many of the athletes live among the residence. Oakwood and East Halls are two women dorms that sponsor activities and house the majority of women on campus. Ikenberry Hall is the oldest men's dorm on campus, it is know for it's study atmosphere.

"LEARNING BY LISTENING"

Part of the requirements to graduate from Manchester College is Convocation credit. All students must attend convocation on Mondays at 10:00 a.m. Of course, the students have the choice on which ones they will attend. One tradition at Manchester is opening day convocation. President Hellman speaks to new and returning students.





May Day is just not a day when all classes are canceled at Manchester, it is a day when students can get out of the classrooms and dorm rooms and soak up some sun and have some fun. This year, May Day included a formal dance, dinner, and a play. There were also many sport activities for students to enter. Activities included a bike race, a canoe race, and softball games.

TERESA BOLEDA

BARCELONA, SPAIN

Manchester College is among many colleges that have a Brethern College Abroad program. This year, Teresa Boleda visited from Barcelona, Spain. Teresa is Catalan. She brought with her, many customs and items to share with the community of Manchester. She left us with many memories and a new friend.

Teresa lived in Garver on 3rd floor. One of the many things she enjoyed was the Secret Santa gifts at Christmas. Although Teresa has a family back in Spain, she will be missed among her friends at MC.

THE END

This Year's Aurora contains pictures from 1979-1980. This was the first time for the yearbook to have a fall delivery and to contain the full years' events. The staff was as follows:
Editor-in-Chief:
Rachel Kuta
Staff for designing and helping with layouts;
Kim McCarty
And a special thanks to:
Lou Kuta, from Dekalb High School
Photographers:
Stan Kuta and Kerry Klemm.
